

Deloitte School of Tax & Legal Transfer Pricing - Navigating the New Compliance Requirements

We have the pleasure of inviting you to our **Transfer Pricing Workshop** aimed at assisting your business to navigate the new compliance requirements. Transfer pricing has become an important focus area for SARS and revenue authorities around the world in line with the new developments in BEPS.

The workshop will cover the latest developments in the transfer pricing landscape in South Africa ("SA") and the African region. Particular focus will be on the aspects of wider compliance and complex transfer pricing issues impacting your business.

The session will provide insight into key transfer pricing focus areas, such as financial assistance, intellectual property ("IP"), limited risk models and model restructurings.

An additional focus point will be transfer pricing dispute resolution and recent developments in this area.

The agenda for the workshop is as follows:

Topic	Content	Timing
